# HIRJEEBHOY ALLARAKHIA & LALJEEBHOY SAJAN GIRLS HIGH SCHOOL

This school is located nearly around 200 Meters away from Khoja Jama Masjid in Samuel Street which have Grade 5 to Grade 10 having around 400 Girl Students Only.

This school charges a very nominal fees in compared to other schools so our lesser fortunate parents can send their girls to our school & they can study in the atmosphere they deserve to excel in their endeavors. This school needs a bit of renovation as the conditions are not so good for our girls to get that environment to study well.

The requirement for basic School Renovation & School Amenities will comprise of USD 20,000/-. Herewith below are pictures of the current conditions,
