Mumbai-India

PROJECT REPORT

November 2020

KSIJ PRIMARY SCHOOL

KSIJ PRIMARY SCHOOL

This school was actively running few years back in the vicinity of Dongri near Khoja Jama Masjid. However we had to deal some legal implications from BMC for 38 years to keep it running & Alhamdulillah after 38 years of efforts & blessings from Almighty ALLAH swt, we have managed to get our School back with all completed legal formalities.

This school will approximately having around 250-350 Students from Grade 1 to Grade 4 We have 8 class rooms each consisting a capacity of 70 Students each. The Expense to renovate the school will be of USD 48,000/- minimum. The basic amenities like Class rooms renovation, Basic School requirement Amenities for Kids to create a School Environment for them to Study well.

The best part of this school is the fees which we would be taking is much less then what other schools take so our lesser fortunate brothers will send their kids to study in this school. It is a Co-Aid school carries 1 class for Boys & 1 class for Girl each from Grade 1 to Grade 4.

Herewith below are the pictures to show condition of this school presently,
